	Drawing	Painting	Collage & 3D Sculpture
	Drawing is a way of creating a picture using pens, pencils, charcoals, crayons and digital tools where consideration is given to tone, line and texture and pattern (printing techniques).	Similar to drawing but a wider range of media can be used such water colours, acrylics, oils and use of digital graphics. Part of the process may include mixing and making new colours.	Creative production of 3D forms using clay, papier-mâché and junk modelling where dimension, length width and height are considered. Collage is an artistic composition using a variety of materials which are assembled, positioned and pasted to create a picture.
